

Chautauqua Striders is dedicated to the mentoring and guidance of youth through education, advocacy and athletics.

Chautauqua Striders Track Club

Nationally competitive, this program is intended for athletes 14 and up who participate in USA Track and Field events as well as regional, national, and international meets. In addition to honing their physical skills, athletes are mentored by coaches who help them gain self-confidence and motivate them to realize their individual potential. Former athletes attest to the impact the track and field team has made in their lives because it taught them the value of hard work, discipline, and education.

There are many ways that you can help and we thank you in advance for your efforts.

I have read the above statements and agree to comply with the policy; I understand that non-compliance will result in dismissal from the Striders Track Club.
